

KENNEDY VALVE

K17 CUSTOMIZATION CODE

HOW TO USE Kennedy Valve uses a code system to allow for quick and easy ordering. Use the chart below to determine the code for your custom K17 hydrant by replacing the letters in the template with the variables of your choice. Use this code when communicating with KV sales representatives. To make an order, or to ask about additional options, contact the Sales Department at 607-734-2211.
